## Dear Club,

The one thing I've never experienced sexually, is being fucked by two cocks at once and I must admit it has always been a fantasy of mine. Luckily, last weekend my dream came true and it was one of the most awesome screws of my life!

I'd been invited to a house party on the Saturday night and as I've been single for a couple of months now, decided it was a great opportunity to get a bit of cock action. I dolled myself up in a tiny mini-skirt, heels and my best slut make-up as I know what gets a guy going and I wanted to make sure I was the centre of attraction!

The party was in full swing by the time I got there and after I got myself a drink, I wandered around the house checking out the talent. One bloke in particular caught my eye, as he obviously looked after his body and had a lovely smile. Within a few minutes I was dancing with Max, the bloke in question, in the crowded lounge and I made sure I gave him a good view of my bulging cleavage and curvy arse as I danced up close. He slipped a hand around my waist and pulled me to him, grinding his crotch against mine. I could feel the bulge of his dick against my pussy as we gyrated on the floor and I knew I was going to have his prick stuffed inside me before to long.

After more drinks and a couple of snogs I couldn't wait any longer as my cunt was wet and ready. I led him up the stairs with the intention of finding an unoccupied bedroom. I was a bit annoyed when he started chatting to one of his mates on the landing but as his

hand was stroking my bum I didn't mind to much. His friend, Joe, wasn't bad looking either and they seemed to know each other really well, and I began to wonder if I could get them to fulfil my threesome fantasy. I checked the room behind us and it was empty so acting like a total slut I walked inside and said over my shoulder to the two lads, "Hey Max, would your mate like to join us?" The expression on both guys' faces was a picture and they nearly fell over each other as they followed me into the bedroom. As Joe locked the door I stuffed my tongue in Max's mouth and groped down his jeans for his prick. It was already pretty big but a few squeezes from my nimble fingers and it was as hard as stone. As we writhed our tongues around in each other's mouths I felt Joe's hands lift my tight skirt and fondle my bum

cheeks. I pushed my arse out towards him and he yanked down my panties, thrusting his hand straight between my legs as he did so. I unzipped Max's trousers and dragged out his stiff shaft, rubbing the tip against my wet pussy as Joe prised apart my arsecheeks and tickled my taut bumhole with a finger. I nearly came there and then but managed to pull Max onto the bed. I spread my legs wide and Joe eased a finger into my slit while Max positioned himself so his rigid dick was inches from my face. I slurped the bulbous knob into my mouth and sucked it hard, grinding my twat against the now two fingers poking inside my sodden hole. I groaned as I felt Joe's tongue lick around my clit as he worked his fingers deeper up my fanny. With one hand I gripped Max's twitching tool and with the other I pressed Joe's head against my squelching cunt. Being skewered on cock and fingers made me wild with lust and I climaxed in Joe's mouth, listening as he gulped down the juices squirting from my tunnel. Joe now joined Max on the bed and aimed his prick at my face too. Gripping both their shafts I sucked on first one cock and then the other, my saliva glistening in the dim light of the

bedroom. Both of them stuck a finger in my pussy as I sucked on their meat. One of them finally dragged my big tits from my bra and started kneading them as I carried on stuffing all that dick down my throat. Both of the lads were breathing heavily and I didn't want them to unload in my mouth before my cunt had felt those lovely dick muscles.

As if sensing my concern, Max clambered between my still spread thighs and shoved his saliva-coated cock straight up my cunt. Jeez, he was big and I could feel the walls of my twat stretch to accommodate him. He continued to push up me until his balls slapped against my butt cheeks before slowly pulling out and repeating the motion. I sucked harder on Joe's prick as Max started to fuck me properly, pistoning his meat in and out of my lubricated hole. Joe's shaft filled my mouth and it felt so fucking horny to be stuffed with dick in both ends that I came again, mauling my own breasts as I did so to give me and them, an extra kick. Dragging their pricks out of me, the boys swapped places and now Joe was pumping in and out of my cunt while Max fucked my mouth. The sweat dripped off their bodies onto mine as we frantically screwed on the creaking bed. I decided I wanted to feel two

lots of spunk explode all over me and tickled the tip of Max’s rod with my tongue while masturbating him into my mouth. I heard Joe grunt loudly and looked down just in time to see him withdraw from my slit and squirt a great arc of thick white sperm over my stomach. I wanked Max faster but seeing his mate spunk up all over me did the trick and a huge jet of spunk splattered against the back of my throat, followed by another and another. I gulped down his seed as I watched the semen from Joe’s staff spray over my tits and all down my front. I smeared it over my skin, writhing beneath them as the last dollop of Max’s jizz splashed onto my tongue and I swallowed it down.

I lay there and fingered myself watching the guys play with their

flaccid cocks until they started to come back to life. Within a few minutes we were all fucking again and it was a good hour before we tidied ourselves up and slipped back downstairs to the party with my knickers stopping the cunt juice from dribbling down my legs. We’ve already agreed on a repeat performance next weekend!

**A**fter venturing out to more exotic climbs, we discovered the beautiful Eva. Who with her full and natural breasts, practically hypnotised us as she playfully flirted in front of the camera. But what does a girl with a body as toned as Eva do with herself when away from the camera?

"I hang out with friends, do yoga and generally anything health related as I like to take care of myself."

Well, you're doing an excellent job from what we can see!

Warm things? So they make you warm do they we asked tipping Tori a wink, but she was straight back at us.

## Dunkirk

DVD £9.99, Blu-ray £14.99

Christopher Nolan's long-awaited wartime epic has finally arrived on DVD. A true work of art, Dunkirk retells the 1940 evacuation of France, that saw the greatest civilian input in a combat zone, as boats of all shapes and sizes crossed the channel without military aid to assist the evacuation. Nolan's creation is a stunning spectacle of war that holds you over three-time periods, which are simultaneously in increments of one. It's a week for the youthful Tommy (Fionn Whitehead) and his band of brothers on the beaches, a day for civilian sailors Mr Dawson (Mark Rylance), his son Peter (Tom Glynn-Carney) and his best friend Goerge (Barry Keoghan), and one hour for the Spitfire boys, Farrier (Tom Hardy) and Collins (Jack Lowden). Who race through the sky fending off the Messerschmitts circling their prey. There's little dialogue, barked orders and radio contact at best, the entire film relies on the actor's visual representation of the insurmountable task they are faced with. The heart-hammering surges are aided by the potent Hans Zimmer score that sometimes feels like a metronome counting down to disaster. We know how it begins, and we know how it ends, but Nolan creates a present-tense submergence in the horror of history.

## The Limehouse Golem

DVD £9.99, Blu-ray £14.99

An East-end gothic melodrama by gaslit, adapted from the 1994 novel by Peter Ackroyd, with Bill Nighy's Scotland Yard detective John Kildare, on the trail of a grisly murderer in 1880. As Nighy sets about solving the impossible cases that have gripped a nation, we swing between the gaiety of the music hall and decaying morgue, which in itself feels rather ghoulish. There are four suspects, all readers at the British Library and among them is the philosopher Karl Marx (Henry Goodman). But as events unfold and the bodies start to pile up, who will have their final curtain call. Exceptionally good production from director Juan Carlos Medina and screenwriter Jane Goldman (The Woman in Black) that will hold you in suspense right until the very end.

## Medici: Masters of Florence

DVD £24.99

Producer Frank Spotnitz reportedly expressed his desire to make a series on an extraordinary Italian family, for an audience who don't like historical dramas. I'd say he's pretty much nailed it here, when Giovanni (Dustin Hoffman) is mysteriously poisoned, Cosimo de' Medici (Richard Madden) is forced to take his fathers place at the head of the most influential dynasty in Italy. But don't worry Hoffman doesn't make his exit 20 minutes into episode one, this series is set over two time periods, 1409 to 1429. Masters of Florence has all the seductive ingredients in its bubbling cauldron betrayal, murder, sex and sibling rivalry, creating a heady, rich and intoxicating mix that will cause binge watching. Whoever knew banking could be sexy?

## Balco 3D printer

[www.aldi.co.uk](http://www.aldi.co.uk)

Aldi has risen over the last couple of years to rival the big four supermarkets, with its deluxe ranges at affordable prices, and notable special buys. But this latest one really is the icing on the cake. Well, it could probably print and ice the cake, which is pretty good going, and all for £299.99! The Balco 3D printer is a third of the price of other printers available on the market, yet it still boasts an LCD touchscreen and can support a variety of filaments. There's also a step-by-step wizard to help any novices on their way to printing the object they desire from either a pre-made 3D design or creating their own with modelling software. This product is only available online, so don't zoom off to your local store for this bargain.

## Garmin Speak

[www.garmin.com](http://www.garmin.com)

When driving your hands and eyes are occupied so it would make a mountain of sense to have a digital assistant in your car, to help with navigation and so on. With this in mind, Garmin has popped Alexa in their new no-nonsense sat nav device 'Speak' and BMW are leading the way, by installing this bit of tech in their new models. This latest device from Garmin can be fitted to nearly any vehicle, but instead of having a visual map representation, directions are issued using voice prompts, with the black screen displaying simple directional arrows and distance. Plus a green halo glows when it's time for you to pay attention; if only wives came with this setting, we might not get into so much trouble. The usual go-to excuse 'I got lost.' is quickly becoming a thing of the past, so you'll have to be more inventive in the future.

**F**resh from receiving the Mayfair Girl of the Year prize at this year's Paul Raymond Awards, peach Cara proves she's worth her weight in gold, as she strips off to reveal a body anybody would love to take a bite of. But how did it feel to win the award for the second time in a row?

"I was absolutely stunned to be honest, and want to say thank you to all the people who voted for me. I love working with Paul Raymond and am dead chuffed with my second award."

We couldn't have asked for sweeter words from one of the hottest babes in town.

## Personal Fuck Trainer

Private

**Starring:** Stacy Snake, Darcia Lee, Mary Kalisy and Clea Gaultier.

**Synopsis:** "Private have opened a new gym for our Personal Fuck Trainers and

membership is exclusive! This all-star fitness team includes veteran pussy riders Stacy Snake, Mary Kalisy and Clea Gaultier, who put their talents to work on some of the biggest dicks in the business. The staff here also includes debutants Darcia Lee and Victoria Pure but, don't let their experience fool you, to work at this gym you have to know your anal workouts from your deep throat stretches and, believe us, these girls certainly do! As we said "membership is exclusive" but we are opening up the doors to the gym just this once to give you guys a taste of what it takes to be a hardcore star." *Courtesy of Private*

**Verdict:** What an introduction to tight teen Darcia Lee, as the brunette shows us her moves in the gym and not all of it is machine led cardio as Alberto Blanco gets her pussy hot and wet for his meaty prick. Lee warms up her stud with a sloppy blowjob, and it's a pleasure to watch her natural tits jiggle as she gets pounded into a frenzy. But Lee isn't the only one receiving an all-inclusive workout, as Stacy Snake brings one of the finest booties we have seen to the screen

for Blanco to get down with, and down he does, snacking on her slit before moving onto the main course doggy style. If only all gyms were like this, then maybe you'd catch us in one!

## The Game

Wicked

**Starring:** Avi Love, Ryan Driller, Carmen Caliente, India Summer, Kimber Woods, Marcus London, Robby Echo, Seth Gamble, and Ryan Driller.

**Synopsis:** "Four bachelors have made picking up women into a trivial game. Then one night the tables are turned, and a sultry stranger named Elyse (India Summer) walks into the bar. Brandon (Ryan Driller) quickly realizes that he may have bitten off more than he can chew. Luckily the night ends well, and he is the hero among his friends. Growing tired of the player lifestyle, Brandon starts a relationship with the girl of his dreams. All seems to be moving along perfectly until she takes him home to meet her parents and he suddenly finds himself

face to face with Elyse again. This time the cougar isn't as willing to let go and will do anything and everything for a round two with her daughter's new boyfriend." *Courtesy of Wicked*

**Verdict:** We seem to have a classic lads on the pull here, and it's all going swimmingly for one member Brandon after he cops off with Elyse (India Summer) for pussy eating, cock sucking action that sees Brandon getting a good riding lesson. But we can all see that he's really after Avi Love, and so the player is tamed. That is until it's time to meet the parents and in strolls Elyse wide-eyed at her daughter's new boyfriend. That still

doesn't stop the sexy MILF wanting a second helping, as Brandon finds his dick in demand. This would be a great couples watch, as there's nothing too hardcore.

**A**s we enter the upmarket apartment that Heather calls home, we can instantly tell that we are dealing with a classy lady. Which, Heather easily confirms with a few sharp remarks, finished with a naughty smile. Suddenly we are like putty in her hands or a puppy she can command, but can you really blame us, from looking at these pictures?

## TOGA TEMPTRESS

The other week, a mate of my boyfriend's threw a toga party. The invites said "Roman Orgy". I wound him up saying if that was how things went, he'd probably wet himself in terror.

Fair play, we had a brilliant night – loads of food, booze, dancing and silliness. The student budget didn't run to a DJ, but he'd put a great playlist together and had raunchy clips from things like *Spartacus* and *300* (OK, not Roman, but whatever – loads of nudity!) playing in the background.

Everyone dressed up. Some people just took the bedsheet and sandals option, while others went for a bit more detail – everything from girls in posh maxi-dresses to blokes in gladiator costumes. Mine was "blinged-up slave girl" – one length of crinkly white fabric around my hips as a split skirt that showed a lot of leg when I moved, and another one worn halter-neck style, with the two lengths hanging down at the front and spread out to cover my tits. It was backless and sideless, and even with belts and gold cord to keep it all in place, I couldn't help flashing a lot of side boob, and the only underwear I had on was a metallic gold thong.

Chris, my boyfriend, in his centurion outfit, wouldn't behave. One time, I was stood talking to a friend when I felt something move up my thigh – the tip of his plastic sword, lifting my skirt to expose

my totally bare bum cheeks. Then when we had a dance later on, he grabbed me for a snog and groped me all over, saying how horny my outfit was getting him.

When the crowd thinned out at about 2am, we headed off to one of the rooms upstairs and found it empty with a double bed. Chris got handsy the second we pulled the quilt over us, but didn't want me to undress – he really liked my costume! He pulled the top into my cleavage to expose my tits at the sides and was rubbing his hard, naked prick against my slit through my thong, pulling it tight up against my clit to get me even hotter.

I was squirming, trying to build up even more friction, wishing he'd just pull it sideways and jam a few fingers or his cock inside me. But he was oblivious, head down and having a good suck on my nipples, switching between them. I was getting close to cumming but not so far gone that I didn't stop in my tracks in shock when two of Chris's mates came barging in. Maybe if they'd been a bit more sober they'd have apologised and gone right back out, but they stayed where they were, staring at us.

"Join in or fuck off," Chris said, thinking they'd take the hint, but they came over to the bed. One of them, Billy, leered at me and pointed out that this was his brother's room, so he could kick us out if he wanted to. But the other one, George, said fair enough, we'd got there first, and they'd be OK in sleeping bags on the floor.

We gave it 15 minutes and they seemed to have dropped off, so Chris picked up where he'd left off, but slow and quiet. Or maybe not as quiet as we thought because I realised I could hear rustling in the background. Chris obviously heard it too –

he suddenly switched on the bedside lamp, and we caught Billy with one hand moving inside his sleeping bag.

The shock-tactic didn't work this time either – Billy just grinned and carried on wanking away. My boobs were covered up again and he told me to, "show him some skin". I said OK, if it'd get him off to sleep any quicker. I was being sarcastic but my top was built for flashing so I indulged him.

Bad move. Now he was out of the sleeping bag, totally starkers. "Don't panic," he said, stopping a few feet short of the bed. "I just wanna watch." I'll admit I felt uneasy – I'd

**"He used his own dick to tease my slit for a while, rubbing and tapping it against my clit."**

But George – the type of big lad nobody messes with – walked over and said, “Come on, mate. Let’s just find somewhere else to crash and leave them to it.”

I got the giggles – he’d taken off his gladiator “armour” but still had a fake-leather loincloth on. And him having an obvious hard-on made it even more hilarious. He looked down, and I gave him a flash too, then I said, “You don’t have to go.” I’d had fun all night, showing off my body in my slutty dress, and I was liking the effect I was having on all three of the lads.

Chris, looking a bit jealous, bowed his head and started sucking on my tits, through the top, like he was reminding them who I was with. And when he pulled away, my dark nipples were showing through the moist cloth. It gave Billy an idea and the next thing I knew, he was wanking, cock about six inches away from my tit. Easily near enough for me to reach, so I licked my hand, wetting it with my spit, then closed it around his shaft, stroking him slow so he wouldn’t shoot too soon.

Chris looked at me like, “Whoa!” so I winked at him and pointed down to my pussy, coaxing him to get to work on that. Instantly, he dived his head down to give me a licking. Maybe he was a bit freaked out by me playing with Billy’s dick, or else he thought he might lose control if he watched us. All I knew and cared about right then were his fingers buried in my snatch as his tongue lapped my clit, with my tight little G-string yanked sideways.

George just stood there, cock still straining, so I stretched out my free hand and pulled it out of his costume – once I’d done that it was

**I reached down to squeeze his balls and a big load of spunk came shooting out...”**

like he was finally convinced he had consent to get involved. I told him to take it off or I'd start giggling again – not that the size of him was a laughing matter. It bobbed around hard and proud as he stripped off, and as soon as he was in reach, I took it in my hand, wanking it as I guided it to my mouth.

Chris was still head down and Billy looked a bit jealous that it was George who'd be getting blown, so I wanked him a bit harder and faster. Then I engulfed as much of George's prick as I could take – the head and the next couple of inches if I wanted to keep breathing. I fondled his balls to get him pumping, and slurped as rudely as I could manage – which got Chris's attention.

He straightened up and just watched me for a few moments as I savoured one cock and tossed the other. Then he used his own dick to tease my slit for a while, rubbing and tapping it against my clit before sliding it down and into my pussy.

I tightened around him, groaning and writhing, with the cock in my hand – and especially the one inside my mouth – somehow boosting what I felt. And as Chris started to thumb my clit – he knows exactly what gets me off – I just sucked and wanked them harder.

It wasn't long before I had to give up, lie back and just focus on Chris fucking and frigging me, and it was probably just seconds before the first twitches of my orgasm hit me. My pussy was gripping his cock like steel, clit slipping under his thumb as the pleasure went through me.

The guys were taking care of themselves, wanking above my face, but it was Chris who hit the brink first. He pulled out, slapping his wet helmet on the gold triangle of my thong, then I reached down to squeeze his balls and a big load of spunk came shooting out, splashing along the bared skin above my belly button.

I scooped it up with my fingers and dabbed it on the fabric, soaking it so it clung transparently to my nipples. Then I pulled my top apart to expose my tits, and grabbed a

dick in each hand to give them one final toss.

Billy came first, but only just, spunk bursting then dribbling out of his cock to spray and splash on one nipple – there was so much of it, it pretty much covered my breast as I used his tip to smear it about. Then I finished George off with both hands, mis-aiming when his cum caught me by surprise – one spurt hit me in the face before I gave my other tit a jizz-bath.

I'll be honest, things got slightly awkward after that. Billy made to get in the bed with me and Chris – me in the middle – probably hoping for more, but George managed to drag him away to find somewhere else to kip. Chris went a bit quiet on me too but when I asked was he OK with this, he said yes, he was still trying to convince himself it had really happened and wasn't just one of his wank-fantasies – and the stiffy digging between my arse-cheeks told me he wasn't sorry it was for real...

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## SKI FUNDAY!

You know when you do something at the time, and it's only afterwards that you realise how naughty you've been? Well, on returning from my recent skiing holiday, I feel exactly like that!

As part of a work team building exercise we went for five days skiing in France. As you can imagine, most of the socialising was done in the evening, with the aid of alcohol! Richard, who works in the marketing department with me, had been taking it as his opportunity to chat me up as I was away from Gavin, my

boyfriend of nine months. I

was more than receptive, and we had been talking suggestively and dirtily since we got there. On the second night things went further and I found myself back at his chalet, snogging him furiously on his bed.

I wasn't overly drunk, and as he clawed my bra away from my tits and began to suck on my hard nipples, I felt a slight pang of guilt.

Nonetheless, as

I was also incredibly turned on, I couldn't say no as he slowly began to strip me naked, kissing and biting each part of my body that was revealed. I reciprocated, feeling his rigid cock spring from his boxer shorts. He had an incredibly toned torso, and as he ran his hands over my arse, and kissed my neck, I imagined his strong arms pinning me down, fucking my pussy with his fat dick.

I took the end of his prick between my thumb and forefinger, squeezing gently, before wrapping my fingers around the shaft and working it up and down. I could see how relaxed he was, as he lay on his back allowing me to wank his erect pole. He gave me a look as if to say he was ready for more; and I duly sank my mouth over his cock. The excitement in his eyes

**“He then pushed me forward and, sitting up, began to lick the crack of my arse.”**

was obvious as I glanced wild looks in his direction, extending my tongue along the side of his cock. He sat up, reaching round for my hips, so he could feel my cunt in his face. As I lowered my pussy onto his mouth with a face full of dick myself, the thought of Gavin flashed uncontrollably into my mind.

As Richard began to insert his finger, I pulled forward, muttering, “Sorry... but I'll really feel like I'm cheating if you get inside my pussy.” Without responding, he continued to lap at my twat, but ran his hand over my arse cheek, until his index finger was against my bumhole. He then pushed me forward and, sitting up, began to lick the crack of my arse. Now on all fours, he slipped from underneath me and kneeled behind me and spread my bum wide open, before saying, “What about if I get in here; that wouldn't be so bad would it?”

I don't know what came

“...he pushed his fingers inside my anus and stretched me open.”

to him. I instantly felt the head of his penis press against my hole, before his girth slowly forced it's way inside me. It wasn't the first time I'd been fucked up my bum, but the first time has been a bit of a disaster – this time it was anything but. He held my cheeks with both hands and pumped away as I rubbed my own clit. I'd thought his dick in my arse might hurt me, but this was pure pleasure, I felt as if my whole body was full of throbbing cock. As I felt my orgasm taking hold, he drove his dick deep inside me. When my own cum was beginning to subside, he took his shaft from my bum, and sprayed over my back.

It wasn't quite the last time we did it like that that week, as the drink was flowing every night. In fact during the week, it barely felt like I was doing anything wrong! However, now I'm back I'm not sure Gavin would agree!

*Angela, West Bridgford.*

#### AD'S IN THE REAR

I'd never had anal sex before but I got fascinated with it after seeing a website dedicated to arse fucking. One of the girls in the office clicked onto it and we all looked for giggles. Everyone said they could never do anything like that, but one of the lads said that was because we were repressed. I think he was trying to get a rise out of us but it ignited a spark of curiosity in my mind that wouldn't go away.

I began secretly logging onto the site and printing off the pictures when no one was looking. I even bought a hardcore anal DVD to watch at nights, but what I really wanted was to try it for myself. I could never admit this to my boyfriend as I was far too embarrassed about it, so I planned to play away just the once. I didn't want to pick someone up in a club, as I'd probably be too embarrassed to ask them to do it too. I had to make sure we were both clear on everything from the start so that there would be no embarrassment when the time came.

With this in mind, I put an ad' in the back of a porno magazine saying, "Shy, inexperienced girl (28) seeks one-off bum fuck with stranger," then sifted through the replies. I got more than a hundred and most were filled with filthy descriptions of how they were going to fuck me. I found them so exciting that I spent a couple of days just masturbating over them before I contacted anyone. When I did, I picked a

Steve climbed up on the bed behind me and stroked his meat up between my buttocks. I shuddered with anticipation as he pushed his fingers inside my anus and stretched me open enough to take his fat tip. He nudged forward gently, splaying my sphincter wider and wider until the first inch slid inside. I cried out at how massive his cock suddenly felt but told him not to stop.

"Go on, do me. Do me all the way."

Steve gripped me by the hips and pulled me back against his prick as he drove on inside inch by inch until I'd taken his entire length.

The feeling was amazing, almost excruciatingly pleasurable, and I sobbed with lust as he stroked his cock in and out of my ring. Up until this moment I'd had my eyes screwed tightly shut but when I opened them I saw that I could watch myself in the mirror on the wall as I was fucked anally. It was one of the horniest sights of my life and I wished I'd brought my camcorder to record myself.

I reached between my legs and stroked Steve's hairy swinging balls as he thrust into me with increasing urgency and I felt like an utter slut. Before I knew it, my own orgasm was upon me and I was howling like a banshee as I came all over Steve's balls. Steve wasn't far behind either and after a few more hard thrusts, he suddenly pulled out and blew his milky load all over my gaping hole. He absolutely covered me in sticky goo and I felt like a hardcore porn star.

I never saw Steve again but since then I have fucked several more of the guys who wrote replies to my advert. I do love my boyfriend, but it's fantastic to feel like a total tramp every once in a while.

*Alison, Birmingham.*

**"I sobbed with lust as he stroked his cock in and out of my ring."**

guy a few years older than me who called himself Steve and arranged to meet him at a motel near Coventry.

Steve stripped in front of me and tugged his cock until it was rock hard. I sat on the edge of the bed watching him and nervously slipped out of my clothes.

"You want to rub some of this on for me?" he asked, handing me a bottle of baby oil. I squirted a little in my palms, took hold of his long hot prick and greased it up all over. Handling his magnificent meat was an incredible turn-on and I began to forget my nerves.

As I waxed his cock, Steve pulled my panties down and slipped his fingers between my legs. I parted them a little and I felt him stuff a couple up inside my pussy. My juices quickly came flooding out and I began to moan and pull at his cock as he pumped his digits in and out of me. Steve did this for several minutes, totally relaxing me, but when I felt his thumb push up between my buttocks and rub against my arsehole, my heart leaped inside my chest. I bent forwards and relaxed as much as possible and Steve slowly worked his fat thumb into my virgin hole.

"I'm going to stick my cock in here," he whispered as he pumped his thumb into me up to the knuckle. The strange intimate sensation and the sheer dirty thrill of doing something this taboo left me breathless with lust.

"Do it," I said, kneeling over in front of him. "Do it now. Fuck me in the arse."

**Antia**   
PHOTOS: DAZGLAM

**A**fter wandering down some decidedly dodgy looking stairs, practically in the dark, it was a relief to step into the bright lights of the closed club and Antia, who at that point might I add was just unzipping her top. So some might say perfect timing as her large natural breasts came tumbling out. We certainly weren't complaining!

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## A License to Confuse

Updating your driving licence is one of those necessary annoyances in life, and I do understand that some people have the oddest addresses, but how the DVLA missed this one I'll never know. 18-year-old Eve Patterson recently tweeted that on receiving her updated driving licence, she realised that she'd given her address as "My dad's house", which isn't officially an address, which under UK law is illegal and you can face a penalty of £1000. Of course, the tweet and picture went viral with many people commenting on how this could have been missed. A DVLA spokesperson

commented, "House names can be a matter of personal choice, and we certainly see a very wide variety on the 11 million licences we issue each year, ranging from the unsurprising to the unusual!" The spokesperson also stated that if Eve returns her licence, they will issue her with a new one.

## Blunder Bomb

Maybe Specsavers should consider this story for an Ad, as it certainly caused a stir. An 81-year-old pensioner's discovery caused uproar in Germany after he alerted police for what he believed to be a WWII bomb in his garden. Officers

were called to a property outside of the city Karlsruhe, with a report of an unexploded device. Fortunately, it proved to be much less terrifying, as the culprit turned out to be a rather large dark green courgette, weighing in at a hefty 5kg and measuring 40cm in length. Officers concluded that it had probably been thrown over the pensioner's garden hedge, but that it did indeed look very much like a bomb.

## Rocket Man

Would you purposefully launch yourself across the earth at 500 mph in a homemade rocket? No, I didn't think so. But one man 'Mad' Mike Hughes, is hell-bent on doing just that. Hughes doesn't believe in science and thinks that the world is flat, but the 61-year-old driver has spent roughly \$20,000 (£15,000) on his project, including the purchase of a motorhome from Craigslist, which will be attached to the launch pad. The launch is due to occur over the ghost town of Amboy, which has a total population of four, and Mr Hughes plans to reach an altitude of 1,800ft before pulling two parachutes. Mr Hughes also states that he has left out enough food for his four cats, should anything go wrong. Really? As if anything would.
